# NOW 30TH ANNIVERSARY, MANY MORE YEARS TO GO.

**F**yske is a tournament for 4 scout groups in Jutland and on Funen, Denmark. It is an annual tradition and this year Fyske had its 30th anniversary. Jens Langkniv Group held the tournament this year, with help from the other groups, everybody could celebrate the anniversary with fun and creative activities. Every age group is represented and compete individually towards hopefully becoming the best patrol.

The beavers, wolves and pathfinder were at a morning orientation run on Saturday; they were to test their scouting skills out on the posts. Knots and laces had to be identified, first aid practiced, European flags recognized, and leaves gathered. Wolves, pathfinders, and scouts were on

an afternoon orientation run where they were to help the sage find the magic crystal so his village could be healed.

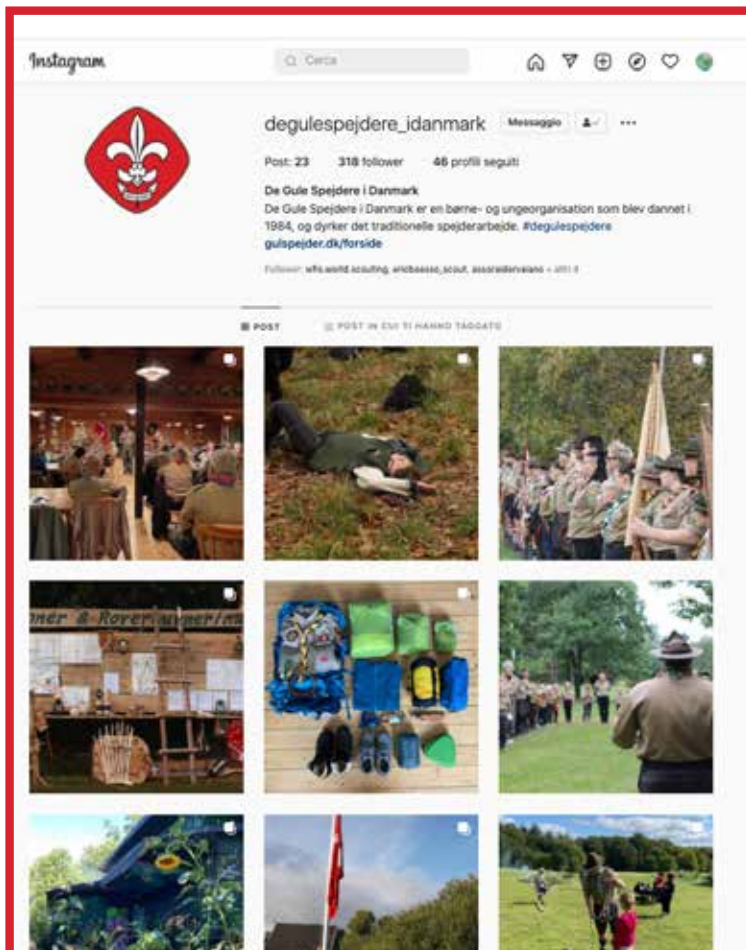

Both Friday, Saturday and Sunday, the pioneers and rovers were well busy carving, building and being creative, to solve their tasks in the battle for Sct. George's field bottle. First task was to build a bunk bed, which after had to be covered so they could sleep dry. The following tasks were all different, some with more purpose than others. The shaft for a hammer was made and later put to test when playing "Hammerschlagen", and a spatula was made and afterwards used for late night pancakes Saturday. They had Saturday to create a leather bag for collecting plants and herbs and forge 4 nails, that later this year will come in use when making salmon on a plank. True to tradition, we ended up sweaty by Sunday with many rounds of tug of war, followed by flag parade, goodbye-snake and camp picture.

# CASTANJORDI 2021

A few months ago the ACS (Associació Catalana Scouts) celebrated the “Castanjordi 2021” with former scouts and with the cooperation of the “Vells Llops de mar”. The name Castanjordi is a mixture of castanya (Chestnut) and Jordi (George) as a symbol for our spirit of cometogetherness and brotherhood.

Unfortunately, many scouts could not assist due to COVID restrictions and personal issues,

and despite we cannot meet as often as we would like, we are like a second family.

And what a better excuse to do an activity than having fun all together, laughing and remembering the old days. We made plenty of activities such as pulling the rope, aiming a chestnut inside a basket, crossing a net of rope, walking over wood planks, throwing spears to each other (carefully), coordination exercises, traditional games with balls and

ropes, and so many other funny outdoor activities. I can assure you that there was no time for boredom. As the meeting came to an end, distinctions were granted for management, effort and nice job done during the pandemic. And last, but not least, Sergio Pintado was invested with the woodbead and Xavi Talavera was bestowed the badge for scout long service (15 years). Congratulations everyone!!! During the meeting, safety measures regarding COVID were respected according the federal laws in force at the time.

Kind regards and keep safe,

# HANDICRAFT 2021

**The Handicraft 2021 Project came to an end!**

Thank you very, very, very much...we had a massive participation and we carefully evaluated each piece of work.

Since we received so many entries and all of them were great, in the end, we decided to award one winner for each age group and **all participants will receive a badge and a participation certificate.**

We will repeat this Project for 2022 – the instructions will be published in the next Euroletter.

Dear fellow Scouters,

as we all know, the situation of the ongoing pandemic makes any decision difficult.

We understand very well that time is running out, as you need to plan travel arrangements etc.

We kindly ask you to be patient a little longer. An online meeting with the member associations will take place mid march to decide and vote about the Eurocamp.

Yours in traditional Scouting
